Dear Clem:

Thanks for the Ineligible Volunteer Record Sheet which you recently sent for the above named individual. This will help us to identify him should he attempt registration in some other location.

We would like more information concerning the reason you were advised that this individual should not be registered with the Boy Scouts of America. Can you get a statement in writing from the Division of Youth and Family Services, or from an individual who might be able to support any charges?

Thanks for your help in completing this file.

Sincerely,

Paul Ernst, Director
Registration Service

Dear Mr. Azzalina,

After careful review, we have decided that your registration with the Boy Scouts of America should be denied. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to refuse registration whenever there is a concern that an individual may not meet the high standards of membership which the BSA seeks to provide for American youth.

If you wish to have this decision reviewed by a BSA regional review committee, please write to the regional director within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be reinstated. The procedures for a review of this decision are attached.

Sincerely yours,

Clement A. Banys
